The Accident Choice Plus policy is a financial tool that helps cover high deductibles, co-pays and other expenses not covered by your primary major medical plan. This supplemental plan reimburses you up to the calendar year maximum benefit for a covered accidental injury requiring emergency medical treatment. The ACP policy pays benefits, once any deductible is met, less any adjustments or discounts, per Insured, per Calendar year as shown in the policy schedule.

The Accident Choice Plus policy benefits include, the Initial Care (within 72 hours of the accidental injury); Ambulance; Three (3) Follow up visits (must be within 45 days from the accidental injury); a major diagnostic exam and x-rays (within 14 days from the accidental injury); Fractures (must be diagnosed within 14 days from the accidental injury); Physical therapy (initiated within 45 days from the accidental injury and rendered by a physical therapist).

Optional Riders:
Accidental Death & Dismemberment Rider – Provides a one time scheduled benefit for total loss as a result of Accidental Injury, when emergency Care is rendered within 72 hours of the injury.

Accident Disability Income Rider – Provides a monthly income benefit for total disability as a result of an Accidental Injury, when emergency Care is rendered within 72 hours of the injury.
